Thanks to those parishioners who donated the monies that allowed us to purchase poinsettias this year for our Christmas decorations and celebration.

Special thanks to all those who helped with the Christmas Outreach Program. We helped 10 families with food and gifts. Thank you to all who donated money to buy gifts and food. Thanks to the two rabbits that donated bunches of vegetables from our Community Garden. Thanks to all of the ladies who helped to wrap the gifts. A special thanks to Jim Murphy for sorting all of the food throughout the year and for making the deliveries to A Storehouse For Jesus and Just Hope with the leftover food, which feeds people who get lost in the system in Davie County.
